Come join North Country Home Health & Hospice for their 2nd Annual Hospice Memorial Butterfly Release. We are hosting two events, one on Saturday, September 7, 2019 at 1:00pm on-site at North Country Home Health & Hospice Agency, located at 536 Cottage Street in Littleton. Our second gathering will be on Saturday, September 14, 2019 at the Unity Park @ Laura Lee Viger Botanical Gardens located in Berlin, NH. This family-friendly event is open to the public and will be held rain or shine. This gathering provides the opportunity to bring families, friends and neighbors together to celebrate and remember loved ones who have passed.

Envelopes containing your butterflies will be distributed promptly at 1:15 pm. During the memorial, we'll have a short program of special readings, the reading of your loved one's names, and the release of the butterflies. You'll get to experience their beauty as some fly off to find the perfect spot to roost for the night, while others linger nearby on your shoulder or hand; giving you a great sense of warmth and awe. The Monarch Butterfly is nature's ultimate symbol of change, transformation and beauty. Light refreshments will be available, and we will also have face-painting and coloring for the kids!

NCHHA is humbled and honored to provide quality and compassionate end-of-life care, grief support, and education to patients, families, and the community. We offer this Butterfly Release as a time of reflection and celebration, to honor the lives of loved ones that have passed. We will share in the laughter and tears as we gather together for this amazing event. If you are unable to attend the Butterfly Release but would still like to purchase butterflies, our volunteers will release the butterflies for you.

Due to the nature of ordering live butterflies for this event, butterflies need to be reserved and paid for ahead of time. The cost is \$20 for the first butterfly and \$15 for each additional. To place your order to reserve your Monarch butterfly please visit: www.nchha.org. You may also call 603-444-5317 (ask for Doris Soucy) or stop by North Country Home Health & Hospice Agency at 536 Cottage St., Littleton, NH. Butterfly orders are due by Friday, August 16, 2019.
